+234 902 895 0691 | mailpraiseudeh@gmail.com | Lagos State, Nigeria

## Profile

---

Full-Stack Software Engineer with 5+ years building web applications in EdTech, blockchain, and e-commerce. Experienced with TypeScript, Javascript, React, AngularJS, Laravel, and NestJS. I've led development teams and delivered projects ranging from Web3 platforms to academic portals and customer dashboards. My background includes both technical development and client-facing work, which helps me build user-focused solutions.

## Education

---

**Coal City University, | Enugu State, Nigeria**
